

# The Straits of Mackinac

**Thursday, Sept 23 - Sunday, Sept 26**

Join us for some scenic shipwreck diving at the Straits of Mackinac. The Great Lakes are beautiful this time of year and the diving should be just as great! Enjoy the charter boat - the Rec Diver; a modern, 42 foot trawler-style boat, especially designed for Great Lakes use.

The cost for this trip is \$99/person, per day - with the total at \$396. We'll be carpooling from the shop in Hudson on Wed, Sept 22 if that works for everyone! Reservations have been made to stay at the popular Driftwood Motel in Michigan - rates are \$52/night, with 2 people per room.

Call us or stop in to reserve your spot!
