

St. Croix Scuba Spear Fishing Events 2010

Spear fishing is unlike anything you've experienced in scuba diving. It offers excitement, challenges, and rewards in local lakes and rivers.

Spear Fishing Classes *

Wednesday, May 26 6:00 PM to 9:00 PM
Saturday, June 19 9:00 AM to 4:00 PM
Thursday, July 8 6:00 PM to 9:00 PM
Wednesday, August 11 6:00 PM to 9:00 PM
Saturday, August 14 9:00 AM to 4:00 PM

* Classes on Wednesday and Thursday evening have the in-water portion of the class the following Saturday or at a prearranged time. Saturday classes have the classroom portion in the morning and in water session during the afternoon.

One Competitive Event

The second annual spear fishing contest sponsored by St. Croix Scuba will be at Wazee Lake, Black River Falls, Wisconsin, on Saturday July 10.

Last year's grand prize of an all expense paid trip to all 10 of the world's best dive destinations went unclaimed. Prizes do not carry over but we'll once again offer some nice prizes for contestants.

Two Fun Dives to Practice the Hunt

Tuesday, July 6 5:00 PM to Dusk
Saturday, September 25 10:00 AM to 3:00 PM

St. Croix Scuba offers a full schedule of fun dives for beginning to experienced divers. The schedule of fun dives is at: www.saintcroixscuba.com/fundive

THREE Fun Trips to South Dakota

Due to growing interest, we've scheduled three trips this year:

June 26-27, August 21-23, and September 4-6

This is our third year of sponsoring game fishing expeditions to South Dakota. The preferred fish is the walleye and the mandatory pastime is having fun. We carpool from the shop with a gear trailer arriving in Pierre the day before the listed start date. Days are spent on Lake Oahe in search of the illusive walleye. The number of participants is limited to 14. We drive back home on the last dive day.

We generally dive shallow and long, and multiple dives per day are common. Our guide knows the river, the water, and where the fish are located. This year we'll be aboard the most advanced and modern dive boat operating on the Missouri River. The only thing left in this equation for fun is you.
