Hotel on the Cay

Located on a lush, 5 acre cay, the hotel has a long history of intrigue, dating back to the 17th century ~ when pirates Anchored their ships off of the beach that guests now sunbathe, swim and snorkel. It is located on Protestant Cay in the Center of Christiansted Harbor, only a 1 minute ferry

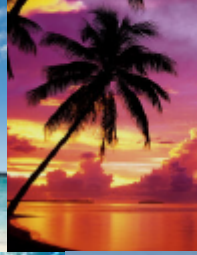

ride from downtown Christiansted. Their small, pristine beach overlooks Christiansted Harbor's beautiful boats, which makes for perfect photos at sunset.

Culture, shopping, diving! How EXCITING!

There is an endless amount of things to experience all around the area. Filled with island culture, enjoy the shopping and local attractions, such as Market Square! Whether you're in the mood to relax on perfect white sand beaches or enjoy the local flavor downtown, St. Croix has it all!
